

To whom it may Concern:

I have recently been informed that LPFM stations may soon take priority over FM translator service. Losing K-LOVE radio would be detrimental in many aspects. K-LOVE faithfully serves me as well as my local community. It serves as an opportunity for encouragement, prayer, news, and information about events in the area. I have heard testimony after testimony of how K-LOVE has impacted people's lives. With there being no other Christian Music Radio Station in our area, losing K-LOVE would drastically hurt both young and old listeners. K-LOVE serves as an alternative to the music that is corrupting our nation. However, K-LOVE is more than just music. Millions of listeners call in for advice, counseling, and prayer. Every program on K-LOVE is aimed at informing and encouraging the listening audience. Taking away K-LOVE would leave our community with no other hope for family-friendly radio. Please consider how much this radio station means to our area. Thank you for your time, and I hope your week is blessed beyond measure!

His,
